Disposable Shoe Cover

Durable Protective Construction: Step confidently into any project with our SRS Durable Shoe Covers. The pack of 100 (50 pairs) is designed for both workplace and home use. The thick, waterproof design, crafted from industrial-grade plastic material, ensures longevity. Protect your shoes from dirt, dust, liquids, and contaminants. Tailored for home and garden projects, DIY, and indoor painting, these covers outshine Nylon, Foam, Plastic/PVC, paper, or Woven polypropylene options.

Reliable Protection: Count on our shoe guards booties as stalwart defenders of your shoes and floors. Strong and reliable for indoor and outdoor use, they are ideal for various industrial applications. Whether hosting real estate open house showings, cleaning, or moving, our shoe covers provide waterproof and dust-proof protection. Trust SRS for reliable footwear protection that goes the extra mile.

Versatile Applications: In uncertain times, SRS Durable Shoe Covers are versatile guardians. Suitable for health care facilities, realtors, painters, educators, and contractors, these covers keep contaminants outside. Take a proactive step in maintaining cleanliness, at home or in public spaces, with SRS Durable Shoe Covers.

One Size Fits Most: Designed for convenience, SRS shoe coveralls fit men and women. The elastic rubber band effortlessly stretches to accommodate all shoe sizes. With a large foot opening, slipping these covers over your shoes and boots is a breeze. From size 5 to 12, including work boots, our high-quality unisex boot and footwear overshoe ensure your feet stay protected.

Quality & Satisfaction: At SRS, excellence, expertise, and responsiveness define our services. We stand by the quality of all our products, including SRS Durable Shoe Covers. When you choose our shoe covers, you invest in unmatched protection and satisfaction. Trust SRS for a reliable solution to keep your shoes in pristine condition, no matter the task at hand.
